

KING'S CHURCH
EDEN

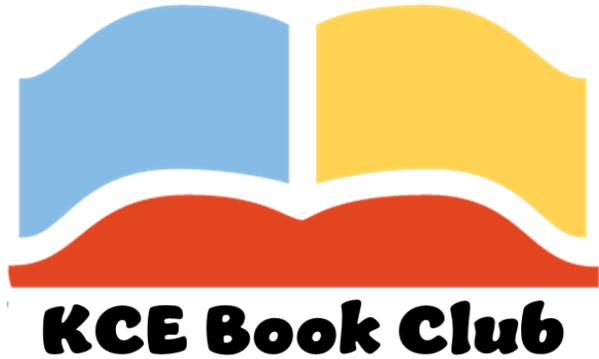

Community Groups

The Crochet Club will meet at the Restore Shop on a Wednesday morning with the aim of connecting with people in our community. You don't have to crochet to join but do come with a heart to love and listen to people. You might just get to crochet as well!

Please contact Karen for more information

Where is it? Wetherspoons.

When is it? Friday morning monthly.

What is it? A couple of hours to talk about the book we've all been reading and generally chat and make friends.

Who is it for? Anyone who likes reading or listening to books.

We've been running for 4 months and have already read a great bunch of books. We take turns to choose the book of the month.

It's really fun, relaxed and easy going.

Why not jump in and find out for yourself?

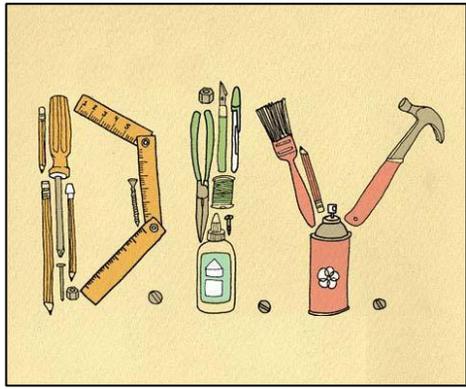

Please contact Glenda for more information

A group for those who'd like to get outside and experience our wonderful surroundings while building friendships, serving one another, and getting some exercise. We aim to meet regularly for a walk or hike, with a mix of gentle low-level routes and more challenging fell walks. Not every walk will appeal to the whole group but, hopefully there'll be something for everyone to enjoy. In addition to walking, we will also get together to connect with one another, build community, and grow in our relationship with God.

Please contact Andrew for more information

DIY + Gardening Club

To lend a helping hand to those in the community, and in our church family, with DIY projects inside and outside their homes. This group will come along side those that need assistance with a project in their home or garden that they cannot tackle themselves. By giving our time and talents we will show the love of Christ to those who may not know Him. Each project we take on will provide an opportunity to establish and nurture relationships with those we serve and with each other.

Please contact Rob for more information

To work alongside the other community groups with the aim of blessing people financially (through income that has been given to KCE) and in other ways, as God leads us.

To identify any wider help and support that people in our community may need, through making connections, building relationships and responding to the opportunities that God presents.

Please contact Tara for more information

Community Lunch will be about intentionally making time and space to pursue developing community with one another as we share a meal together, as Jesus did with His disciples.

Creating a place to which we can invite our friends and family and introduce them to our Church family and Jesus through our interactions with one another.

“Building community within, in order to reach the community without”.

Sparklers toddler group seeks to provide a warm and friendly environment for babies, toddlers and pre-schoolers and their parents or carers.

We run every week during term time on a Friday morning at the Haydock Community Centre.

Through a warm welcome, we hope to be able to reflect Gods love and care to the community.
