Choosing Your Accommodation

- When deciding on your accommodation please consider your budget and book accordingly. Please note that indoor accommodation is limited.
- If your first choice of accommodation is not available, we will be in touch to discuss alternative options.
- Feel free to think outside of the box e.g., sharing a room/tent with friends of the same sex.
- A limited number of tents are available to borrow if you would like to camp but lack the equipment.
- We would like to ask that other than family groups, only same sex groups of friends share accommodation (both indoor and outdoor).

Sharing

There is only a very limited number of twin/double rooms and therefore we would like to utilise the larger rooms as economically as possible to leave the doubles/twin rooms for those who need them.

It would help us enormously if you could please consider sharing if you are booking a single place at the church weekend away. We aim to allocate two of the larger, 4-person, rooms for sharing. Alternatively, if you could please liaise with others and find yourself 2, or even 3, other people to share with that would be great!

If you would like to stay in the indoor accommodation and would be happy to share with other members of the church, of the same sex, please let us know.

The Stables and Mansion House

There are 13 rooms available in the [Stables/Mansion House](#) and these will be prioritised for those who are not able to access the outdoor accommodation. Please also note that whilst most of the rooms are ensuite, some are not. However, all other rooms have sole use of a bathroom/shower room adjacent or near to the bedroom. There are four downstairs rooms, 2 of which have an accessible shower room. If you require one of these rooms, please note this on your booking form.

Stargazer Lodges

There are 2 lodges available ([Stargazer Lodges](#)) which each sleep 4-6 people in a downstairs double room, upstairs mezzanine bedroom and a pull out sofa bed in the lounge area. These will be prioritised based on need.

Camping

A range of [camping and glamping](#) options will be available including [tents](#), [yurts and teepees](#). Camping is priced per tent/van/yurt/teepee. Please note if your group requires multiple tents these would need to be booked separately. A limited number of tents are available to borrow, but please note that we are not able to provide sleeping bags or roll mats.

If you would like to hire a tepee, bell tent or yurt please enquire first to ensure they are still available.

Dogs

Well behaved dogs are welcome in all accommodation at Blaithwaite aside from the Furnished Teepee and the Furnished Yurt. Please note that dogs are not to be left unattended in the accommodation. Please be considerate of others, especially overnight, if you bring your dogs on the weekend away, ensure that you clean up after them. Please add your dogs to the booking form (£6 per dog).

Cost

As a church family, it is very important to us that everyone is able to come, if they would like to. We do not want anyone to feel unable to attend because of costs or other practical issues. If you would like to discuss your needs in confidence please speak with Jon Cook or Zeke Dixon.
